A Good Cough Medicine for Children.

"I have no hesitancy in recommending Chamberlain's Cough Remedy," says F. P. Moran, a well known and popular baker of Petersburg, Va. "We have given it to our children when troubled with bad coughs, also whooping cough, and it has always given perfect satisfaction. It was recommended to me by a druggist as the best cough medicine for children as it contained no opium or other harmful drug." Sold by all druggists.

Danger Signals!

Do you take cold with every change in the weather? Does your throat feel raw? And do sharp pains dart through your chest?

Don't you know these are danger signals which point to pneumonia, bronchitis, or consumption itself?

If you are ailing and have lost flesh lately, they are certainly danger signals. The question for you to decide is, "Have I the vitality to throw off these diseases?"

Don't wait to try SCOTT'S EMULSION "as a last resort." There is no remedy equal to it for fortifying the system. Prevention is easy.

Scott's Emulsion

prevents consumption and hosts of other diseases which attack the weak and those with poor blood.

SCOTT'S EMULSION is the one standard remedy for inflamed throats and lungs, for colds, bronchitis and consumption. It is a food medicine of remarkable power. A food, because it nourishes the body; and a medicine, because it corrects diseased conditions.

Sole and Free, all druggists. SCOTT & BOWNE, Chemists, New York

Political Pointers.

In spite of the rain and mud, a large crowd of farmers and others greeted the Hon. Joe Bailey at his opening speech at Cameron.

Mr. Sherill of Fort Worth says Governor Sayers is safe from any real opposition.

A Bailey club has been organized at Alvin.

Cooke county has declared for Joe Bailey for senator.

NICKEL NOTES.

A heavy rainfall for two days has filled tanks and cisterns and put the farmers to a standstill. Many of them have corn up and cotton land ready for planting. Gardens are growing nicely and early vegetables adorn our tables. The meadows are covered with a rich dress of green, sprinkled with tiny daisies, while the fruit trees are thickly laden with tiny fruit. But let Easter's joy blast come and all will blight beneath its touch.

Rev. J. M. Frierson filled his appointment at Stonewall last Friday night, to a well-filled house. These sermons are greatly appreciated.

Mr. Orv Parker of Blanco county came in on a visit to his mother. He reports everything flourishing in his section. After spending a few days among friends he returned to his former home.

Col. Reeves has been quite sick, but is able to be up at this writing.

Mr. J. E. Quebedeaux's children are down with the measles, but in a mild form.

Miss Zoe Bunting's school closed at O'Possumtot last week, after a successful term of near six months. We will soon have this genial young lady among us again.

The funeral of Mr. McKay's little child at Moulton Institute cemetery last Sunday, was well attended. Rev. Frierson performed the sad rites.

More anon. AMICUS.

In sluggish liver, HERBINE, by its beneficial action upon the biliary tract, renders the bile more fluid, and brings the liver into a sound, healthy condition, thereby banishing the sense of drowsiness, lethargy, and the general feeling of apathy which arise from disorders of the liver. Price 30 cts. For sale by Aug. Grave.

CONFESION OF WHARTON GOLDEN.

There Was a Plot to Assassinate Governor Geibel and Others.

Frankfort, Ky., March 24.—"John Powers told me that they had two negroes here to kill Geibel. They were Hocker Smith and Dick Coombs."

This statement was made today by Wharton Golden, a frail consumptive-looking Kentucky mountaineer, while on the witness stand, in the preliminary examination of Secretary of State Caleb Powers, charged with conspiracy to kill Wm. Geibel. Golden told a story of the events leading up to the murder, which, if substantiated, will, in the minds of those connected with the prosecution, at least, probably go far toward proving the contentions of the commonwealth, that it was the result of a plan in which several prominent men are involved.

Notice to Farmers.

All farmers who wish to try raising Artichokes for their hogs, I will furnish them seed at 50 cents a bushel. They are very productive, will grow on any kind of land. Sandy land is the best. You cut them up and plant like potatoes. Now is the time to plant. Leave your orders with Eschenberg & Blohm.

W. E. WISEMAN.

ANOTHER plank in the Nebraska Democratic platform: "We condemn the Dingley tariff law as a trust-breeding and extortion-inviting measure." Pretty strong language, and yet the Galveston-Dallas News says the tariff question must not be touched on until the money question is settled.
